Strategic Management: Awareness & Change - John L ...

Finally, the author makes good use of lists, diagrams and good section labelling to help the reader. The book progresses logically, beginning in part 1 with an awareness of topics such as culture, values, leadership and decision-making, and a discussion of management frameworks. This part of the book aims to set the scene for strategic management.

Strategic Management: Awareness and Change (pdf) | Paperity

The second discussion is the strategic consciousness that is not included in the strategic management process and is ignored in most of the strategy literature. View Show abstract
